ABOUT INTERNATIONAL CENTRE

Savitribai Phule Pune University attracts the largest number of international students in comparison to all other Indian Universities. Apart from offering a multi-cultural and interdisciplinary learning environment, one of the main reasons for studying in Pune is the manageable cost of living and the conducive environment for education. We have around 10,000 students, from over 100 countries at the University and its affiliated colleges.

The International Centre, Savitribai Phule Pune University, located on campus, assists the International Students' Community, in acquiring information about the various courses, colleges, tuition structure, eligibility, accommodation, health insurance and the likes offered by the University. It is also operative in arranging for the students' admissions and their overall welfare.

The International Centre acts as a liaison between the students, the various Departmental Heads, and the Heads of Colleges and Institutions affiliated to Savitribai Phule Pune University as well as the Heads of Chancery, Embassies, Consulates, their educational counselors and their educational wings, throughout the world or with any other agencies of the Government of India or the Government of other countries.

Prof.(Dr.) Suresh Gosavi
Vice-Chancellor
Savitribai Phule
Pune University

As India is poised to emerge as an economic superpower, knowledge economy is going to play a pivotal role in India's economic growth. Universities have a critical place to impart not only quality education, but also to provide cutting edge technological solutions through quality research. Savitribai Phule Pune University is equipping itself to face these emerging challenges of the 21st century.

Pune has been the hub of education, and Savitribai Phule Pune University has played a significant role in the education sector in the region. One of the prestigious universities in the country, Savitribai Phule Pune University is one of the top ranked universities in the country. The University's main campus is spread over picturesque 411 acres; however, The university caters to the area of three districts of Pune, Ahmednagar and Nashik. The University offers courses through 13 faculties and 53 departments and more than 600 affiliated colleges and institutes, with total students strength of about 5,50,000. The academic programmes of the University covers most of the basic and applied streams. Doctoral research is conducted in a wide range of fields. The University boasts of interdisciplinary state of art Research Centres like, Centre for Modeling and Simulation, Bioinformatics and Biotechnology, Nanotechnology and Centre for Social Sciences and Humanities.

The University has a large presence of international students drawn from over 100 Countries. In fact, Savitribai Phule Pune University is the most preferred destination of International Students in the country. The university also has collaborations with many prestigious International universities.

The motto of the University stresses on 'Kriyavaan' (one who is engrossed in creative action) and maintains that one who contributes to the well being of a society is a real Pundit (Savant). I believe, that, for the university the best way to contribute to the society, is by addition of new knowledge and understanding of social, economic and scientific issues through rigorous pursuit of academic research. We the faculty, staff and students can make a Difference to the Society.

As an educational hub, the Savitribai Phule Pune University plays host to students from across the globe. The Savitribai Phule Pune University can boast of having the largest number of International Students in comparison to all other Indian Universities. The University offers high quality education at affordable costs

Education which inculcates global awareness is the need of the hour. Globalization demands an education system which sensitizes individuals to global issues, and enables them to think beyond borders. By offering an environment conducive to such learning, the Savitribai Phule Pune University has emerged as a favoured destination for International Students and faculty.

The International Centre at the Savitribai Phule Pune University facilitates easy acquisition of information about the various courses available at colleges, departments and institutes affiliated to the Savitribai Phule Pune University. It also provides students with health insurance. The International Centre is a nodal agency that co-ordinates all the activities related to the admission of International Students through a unique single window system that was established in 2001. The Centre has implemented the online admission procedure from the academic year 2015-16. This has helped in maintaining transparency and ease in the administrative work and has enhanced the flow of international students to the Savitribai Phule Pune University.

The Savitribai Phule Pune University has one of the best campuses in the world with well planned infrastructure. Its portals offer a multi and interdisciplinary educational environment, with advanced research and state of the art technological facilities. The International Centre showcases the educational opportunities available at the University. The Centre has been responsible for promoting the Savitribai Phule Pune University as a leading learning destination for International Students, Students from all over the world are welcome here. We are happy to have these students who, we hope, will become citizens of the world and go back to their countries as international representatives, carrying knowledge and wisdom from this ancient civilization.

**ENGLISH LANGUAGE COURSE
FOR INTERNATIONAL STUDENTS**

COURSES OFFERED

**ENGLISH LANGUAGE INTENSIVE COURSE FOR
INTERNATIONAL STUDENTS (ELICIS)**

**ENGLISH LANGUAGE AND STUDY IN INDIA
(ELSI)**

COURSE OBJECTIVES

Savitribai Phule Pune University, International Centre offers English Courses for International Students for the period of 1 year, 6 months & 4 months.

The course prepares foreign students from Non-English-speaking backgrounds to cope with the education system at the Indian Universities.

ENGLISH LANGUAGE AND STUDY IN INDIA (ELSI)

Fluency over English, Soft Skills, Personality Development and Field Trips. Equips you to participate more effectively and responsibly in a multi-cultural world.

Prepares you to enhance your marketable skills in the global economy. Increases your chances of getting a good job in a multinational company and encourages cross cultural awareness.

Developing Proficiency in Speaking:

- By the end of the course, students should be able to engage in everyday conversations with ease, express their ideas clearly, and demonstrate improved pronunciation and fluency.

Enhancing Listening Skills

- Students should be able to comprehend various English accents, understand spoken English in different contexts (such as movies, lectures, or casual conversations), and follow instructions effectively.

Improving Reading Comprehension

- Students should be able to read and understand a variety of written materials, including newspapers, short stories, and academic texts. They should also be able to identify the main ideas and supporting details.

Expanding Vocabulary

- Students should acquire and use a broader range of vocabulary, including common idiomatic expressions, to enhance their ability to communicate effectively

Building Writing Skills

- By the end of the course, students should be able to write coherent and well-structured essays, reports, and emails. They should be able to express their ideas clearly and use appropriate grammar and vocabulary.

Grammar Mastery

- The course should ensure that students have a strong grasp of English grammar rules, enabling them to construct sentences correctly and communicate without major grammatical errors.

Cultural Awareness

- Students should gain an understanding of the cultural nuances of English-speaking countries, including social norms, customs, and traditions.

ENGLISH LANGUAGE INTENSIVE COURSE FOR INTERNATIONAL STUDENTS (ELICIS)

ELICIS offers you an opportunity to:

Equip yourself for your present and future academic, research & career pursuits, to understand classroom lectures, read textbooks, do reference reading, participate in classroom discussions, and write assignments and examination answers in English.

Prepare yourself to function effectively in your future profession.

Prepare yourself in social and other situations in which you may be called upon to use English.

The specific objective of this course is to develop communication skills in reading, writing, speaking and listening, with emphasis on grammar and vocabulary.

Each ELICIS programme is divided into three levels, i.e. Levels I, II & III. At the beginning of each course, a test is conducted to determine the English proficiency level of the student. Following the test and results, students are divided into groups.

The three levels are run simultaneously with other courses or independently. The admission to this course is subject to fulfillment of the conditions of eligibility.

ELICIS
