INWARD No. 2000

DATE: 12/9/12

**Subject : Submission of Proposals under Faculty Development Programme
(Teacher Fellowship)**

Sir / Madam,

This is to bring to your kind notice that several applications of Teachers for Award of Teacher Fellowship under Faculty Development Programme received in this office are found to be incomplete in several respects, particularly regarding fulfillment of qualifications and minimum teaching experience.

You are requested to ask the colleges specifically to satisfy that the teacher is permanent in all respects and drawing salary in the UGC scale without any conditions attached by State Govt. and or concerned university. Further, the experience of the teacher should be from the date of total regular unconditional clearance of appointment.

You are requested to ask the colleges to ensure these conditions are fulfilled during XII Plan **otherwise such proposals will not be considered**. A copy of the orders of confirmation and regular non-conditional approval letter from concerned university should also be enclosed. Further, it may also be ensured that the candidate is not only registered for Ph. D. but also has done some work duly certified by Research Guide and Head of the Research Centre / Department. He / She should also certify that the thesis will be completed within the tenure of the fellowship or at least within six months from end of tenure of fellowship.

Kind regards,
