From The Vice-Chancellor's Desk...

I am delighted to pen this message for the 71th Annual Report of the Savitribai Phule Pune University (formerly University of Pune), a State Public University with 890 affiliated colleges and institutes, making it one of the largest University in terms of affiliation and student enrolment.

The University has established itself as a brand, by adopting pioneering, innovative measures in a challenging environment. The University believes in excellence in every endeavour, which makes it an outstanding pantheon of learning. It strives to surpass the standards of expectation, while facing challenges and limitations of the system.

The year 2019-20 has been a year of several remarkable achievements. In the National Institutional Ranking Framework (NIRF) adopted by the Ministry of Education, Savitribai Phule Pune University ranked No 9 in the 'University Category', and at 19th position in the 'Overall Category' amongst approximately 1650 universities and educational institutions from our nation. In the international arena, SPPU has been positioned in the category 651-700 rank amongst over 1200 universities and educational institutes across the globe by the QS ranking system.

The University has nurtured a research culture since inception as is evident by the high-quality publications. SPPU is the first University to have pioneered the postdoctoral research program. Amongst various initiatives is 'AVISHKAR', an innovation and Research based Competition, in which the 48-member university team won 2nd place at the State level and won the Overall Gold medal in the Annual National Competition 'Anveshan'.

In March 2020, the Covid-19 pandemic set in and changed the direction of lives. The consequence of such a lockdown on all stake holders was recognized and immediate and effective measures were initiated. The first concern was education of students and for this purpose a major task force was put together to develop an 'Online Study Material Portal'. More than 1000 teachers from university and its affiliated colleges contributed to develop E-Content, approximately 10,000 documents in various formats like audio-video, PPTs, films, PDFs etc, in all subjects. The portal has been widely accessed by students and teachers with more than 400,000 visits till date.

The pandemic demanded rapid testing of individuals on a large scale., but the work force was limited. A team of faculty members volunteered to partake in Covid-19 Sample Testing at IISER-Pune. This trained team has put in their relentless effort for processing biohazardous Covid-19 samples.

The Center for Molecular Diagnostics and Research, a BSL-4 facility is being set up for RTPCR based diagnosis of SARS-CoV-2 virus that caused this pandemic. Further, this would be expanded to include testing of other pathogens that cause severe life-threatening diseases in humans. viz. Chicken Guniya, Swine Flue, Dengue

A mathematical model was developed by faculty from CMS that was suitable for a heterogeneous population like India, which was adopted nationally for understanding the spread of the pandemic

A carefully designed Serological survey was done to estimate the prevalence of Covid-19 in the Pune Municipal Corporation (PMC) limits by faculty researchers and student volunteers. Research and PG students assisted PMC with Rapid Antigen Testing of the population to estimate the prevalence of the disease in the city and neighbouring areas.

The NSS student volunteers of the University took up a humongous task of making and distribution of masks. A total of about 32 lakh masks were made and distributed. Approximately 8700 litres of sanitizer were prepared and distributed free of cost by trained student volunteers. There was severe shortage of blood in blood banks of Pune Hospitals. A list of 56120 willing donors was prepared for addressing this shortage and 9400 students donated their own blood for the cause.

The academic activities continued throughout the lockdown period. A series of webinars on the "COVID 19 – A New Paradigm" were organized to understand this disease, its spread, prevalence, treatment and vaccine. Erudite individuals with rich experiences shared their thoughts through an online portal.

A remarkable feat achieved was conduct of online exams in 2000+ subjects across all degrees, diploma and certification programs, for more than 3.5 lakh students. It was a massive exercise and it was ensured that students around the globe could appear for the same. The admissions to all programs on campus were also conducted online.

These are a few glimpses of achievements of the University in the face of challenges posed by the Pandemic this year. The most important aspect is that the pandemic brought out the best in every individual of the University family.

I take this opportunity to acknowledge the contribution of all those who have made 2020 a successful year.

From The Pro-Vice-Chancellor's Desk...

It gives me immense pleasure to write a message on the occasion of publication of 70th Annual Report of our University.

As the prestigious University in our country, our University has been tremendously consistent in all round performance. Presently 91 affiliated colleges have earned 'A' grade from NAAC in the year 2019-20. The movement of autonomy has been gaining momentum. Currently 22 affiliated colleges have been conferred with autonomy by UGC and some of the proposals are in pipeline. It is worth noting that 48 institutions and 56 programmes have already been accredited by NBA. It would not be out of place to mention that during the current academic year following new programmes are introduced in tune with the requirements of industry and research organizations 1. B. A. [Liberal Arts], 2. B.Sc. Blended, 3. B.B.A. Hospitality And Facilities Management, 4. B.B.A. International Business [for international students], 5. B. Voc. [Retail Management], 6. B. Voc. [Supply Chain], 7. Master of Design, 8. M.Sc. Astrophysics, 9. M.Sc. Astrobiology, 10. M.Sc. Urban Water And Sanitation, 11. M.A. Lifelong learning, 12. M.A. Yoga, 13. Post Graduate Diploma in Data Analytics in Economics, 14. Integrated three years course for undergraduate students aspiring to crack the UPSC exams., 15. Short-term course in the Korean language.

In sink with prominent global practices in higher education, we have successfully introduced Choice Based Credit System for undergraduate programmes in affiliated colleges. For effective implementation, workshops were organized for the teachers of the affiliated colleges. In order to boost research culture on the campus, University has introduced SPPU-Post Doctorate Fellowship. 12 Scholars have been selected under the scheme in 2019-20. The University has received Rs. 100 Crore grant under RUSA Scheme from MHRD for undertaking cutting edge research and enhancement of infrastructure.

To build startup culture, innovation and incubation cells have been established in 240 affiliated colleges. Business Idea Competitions and Investors Meet were organized recently. The University has appointed Deans for all four faculties. Enrichment of human capital on the campus has been relentless assignment for the governance. Keeping this in view, training and workshops were organized for the officers and members of various authorities on contemporary themes. UGC has selected 9 colleges as the mentoring colleges for preparation of NAAC assessment of affiliated colleges. During the current academic year, 20 new colleges have been approved by the state government. The University has been contemplating to explore the research and academic opportunities in Jammu, Kashmir and Ladakh region.

Our University has exhibited outstanding performance consistently in 'AVISHKAR' research competition. Numerous outreach programmes have been organized by NSS particularly in water conservation, tree plantation, cleanliness campaign, etc.

All the endeavours have been proving instrumental in enhancing the status and ranking of the University in the spectrum of teaching-learning, research, innovation and extension.

"The quality policy reiterates its commitment to be a global, socially conscious Centre of Excellence in the conservation creation, advancement and dissemination of knowledge. Keeping in mind the dynamic environment, the policy encourages empowerment of its faculty and students to contribute meaningfully to economic, technological and social development and progress by ensuring quality and ethics in all its activities."

Maharashtra and especially the Savitribai Phule Pune University (Formerly, University of Pune) have always been at the forefront of evolving new paradigms, which involve new thought processes. Savitribai Phule Pune University, one of the premier Universities in India, is located in the North-Western part of Pune city in picturesque green surrounding sprawling

over 411 acres. The University is symbolically identified with the Main Building; it is a monumental building with a beautiful architecture, and was once the summer residence of the Governor of Bombay in the days of the British Raj. Built in 1864 architecturally, it defies classification through its spiritual antecedents and the 80 feet flag tower has been described as a 'Victorian rendering of an Italian campanile'.

Savitribai Phule Pune University has carved its place as one of the most prestigious universities in the world. We are one of the largest universities in the country in terms of affiliated colleges and students' enrolments. Our student strength is almost 7 lakhs, spread across more than 49 academic departments, 702 affiliated colleges, 274 recognized management institutes and 121 research institutes under 4 academic streams with 271 academic programs. This university has a unique distinction of attracting the largest number of foreign students from every part of the world.

National and International Rankings for University :

SPPU is reaccredited with A+ Grade in the year 2017 with a CGPA of 3.60 by National Assessment and Accreditation Council [NAAC] an autonomous institution of the University Grants Commission [UGC] of Government of India. This is the highest CGPA achieved by any university in the state of Maharashtra.

The university has been recognized as 'Performing University' in 'A' category for value-added research and development by Department of Science and Technology [DST] of Government of India, continuously for two phases under its 'Promotion of University Research and Scientific Excellence [DST-PURSE] program' with a research grant of INR 30.9 Crore.

SPPU earned the prestigious 'Universities with Potential for Excellence [UPE]' scheme of UGC, with a financial grant of INR 50 Crore, aimed at enabling a university to adapt to modern methods of teaching and learning, developing learner-friendly lecture materials, changing their evaluation methods and striving for excellence, to sustain themselves in this competitive world. Phase I is completed and Phase II is in progress.

University Grants Commission [UGC] has selected 14 departments of SPPU as having potential for research and teaching under its 'Special Assistance Program [SAP]', a programme intended to encourage the pursuit of excellence and teamwork in advanced teaching and research to accelerate the realization of international standards in specific fields. Further, 8 departments have been selected as 'Centre of Advanced Studies [CAS]', especially awarded to renowned centres of academic and research excellence.

MHRD's National Institutional Ranking Framework [NIRF] has ranked SPPU in top 10 positions amongst the Indian Universities in last consecutive three years. In the overall ranking of all the higher education institutions in India, SPPU has been placed at a bright 18th position. SPPU has earned a place of distinction in the UK based Times Higher Education World Rankings 2019- 2020. It has been placed in the group of 601 - 800 among universities worldwide.

SPPU has been ranked at number 191st in the Q. S. World Ranking for universities in the Emerging Economies of the World. I am extremely happy to state that SPPU has climbed up from 237th position to 191st position this year. This is a significant achievement for the Savitribai Phule Pune University.

SPPU's progress is on the right track and to be consistently in the top 10 for the last few years is a big achievement. It is the collective efforts of the students, faculty and staff of the university.

Centre for Innovation, Incubation & Enterprise (CIIE)

Report of Work during Lockdown

During the complete lockdown period in April & May, the Centre (CIIE) took various initiatives.

1. **Call for proposals for Solutions for COVID-19:** Call for proposals were invited for those with solutions on prevention, cure, disaster management, and support for the supply chain. Many proposals were received in response to this appeal. Centre

scrutinized the proposals and DeepTekstartup that works in AI& ML (Artificial Intelligence & Machine Learning) to detect COVID -19 with use of CT Scans & X-Rays has been onboarded by CIIE. This company has been working with various hospitals on testing COVID -19 patients & CIIE has provided them required support through hospital access and other experts.

2. **Advisory & Mentorship** - Startup enrolled with CIIE were supported with advisory & mentorship meetings one-on-one to understand the startups' pain points during the Pandemic. Necessary guidance was given to the startups for performing the work from their homes during pandemic on a case-to-case basis.
3. **20-hour Virtual program for Beginners in Startup**: Newly inducted startups of Cohort 2 and from the college ecosystem underwent a 20-hour virtual program covering all the aspects of incubation. The speakers & trainers were top startup specialists with specialization in ideation, funding, legal aspects, regulatory framework, and market access.
4. CIIE rolled out a report on "**Critical Success Factors for Startups**" that shall provide insights to startups on do's and don'ts to remain in the ecosystem.

CSR - Meet:

1. CIIE invited the CSR heads of prominent industries to engage them in giving 3 grants to startups working in the social space and doing social good. The work on this account is in progress. Webinar on Innovation & Startups: CSR Engagement Prospects was organized on 06th June 2020.
2. CIIE entered into an agreement with Entrepreneurship Development Institute of India (EDII) Ahmedabad on 05th August, 2020 for joint online courses in Entrepreneurship during and post pandemic, faculty development programs & online student awareness programs.

e-Content Development & Learning Innovation Centre (e-CDLIC)

e-CDLIC provided necessary content support in the virtual format during the pandemic.

- **Content on subjects**: More than 2000 subject content was uploaded on the webpage of the Centre. 800000 students & other stakeholders took advantage of the content during the lockdown period.
- **Technology Platform & Content Creation**: e-CDLIC created a technology platform for the affiliate colleges for ready-to-use by faculty members to upload the content using an asynchronous method and log-in facility for the students. Training for the same has been provided to 1500 faculty members. e-CDLIC also supported the college faculty members in video content creation in a very engaging manner through enriched presentations with the use of modern aids of animations, effective presentation slides, and engrossing outcomes. This capacity-building initiative by e-CDLIC has helped more than 1100 teachers in the pilot phase with 600 subjects mapped for online learning.
- **Ph.D. Online Examination**: e-CDLIC also provided its support to the Ph.D. Section by conducting online examination using the web-based platform and conducted more than 65 Ph.D. 's, in the month of June and similar numbers in July and August.

SPPU Edutech Foundation:

Savitribai Phule Pune University has a long history of implementation of ICT for the betterment of the university's administrative and academic processes which has benefited all stakeholders. To integrate and consolidate all activities and expedite the automation in a better, professional, and cost-effective manner, the university has established its own educational technology company SPPU EDUTECH FOUNDATION on 28th March 2019. This is a Section (8) company established under the Companies Act 2013 for non-profit purposes in the field of education, technology development, and services.

The company has consolidated and taken over all the Software Development Services & IT Infrastructure Management Services of the university.

Central Instrumentation Facility:

The Central Instrumentation Facility (CIF) at the Savitribai Phule Pune University has been established to cater to the needs of academicians and researchers, on the campus and affiliated colleges of the SPPU, in high priority areas of research in basic and applied sciences. This facility is open to all researchers from universities, academic institutes, national research institutes, defense institutes, and industries all over India.

SPPU Research Park Foundation:

SPPU Research Park Foundation is a section 8 company focusing on Agriculture, Pharma, Waste Management, Renewable Energy, Automobile & automation as well as the Defence section.

SPPU has tied up with the Australian Institute of Water Sciences (AIWS) for training in wastewater management. Further to promote the industry 4.0 initiative among students, faculty,

and industry we are co-locating c4i4 - a section 8 company promoted by the Department of Heavy Industry, Govt. of India, and Kirloskar in Pune.

SPPU is planning to get few international R&D companies for increasing industry collaboration

SPPU will be hosting Industry-Academia meets in the identified focus areas and conducting an entrepreneurship development program.

Information about the school system:

The committee was constituted to review the existing Departments of the University and Restructure them into a 'School System' for better academic collaboration and efficient resource utilization. The work of the school system is in progress.

SAMARTH Udyog:

C4i4 - Centre for Industry 4.0 is a Govt. of India Initiative for promoting India as a global manufacturing hub. This is a national initiative named SAMARTH Udyog and brings together Industry, Institutes, Industry Associations, and the Government to invest in the program to enhance our global competitiveness. The program aims at helping manufacturers reduce costs, improve quality, and accelerate customer response.

SPPU is collaborating with C4i4, so that students can benefit from skill enhancement and employability and faculty get an opportunity for consultancy & industry knowledge. Overall, it will help SPPU in attracting new industries and improving its national and international ranking.

Science Park:

Nurturing a spirit of inquiry in the young and impressionable minds is one of the most important and primary tasks of any living society. Scientific attitude needs to be developed and nurtured by sharing the excitement of science and technology, by curiosity-driven open-ended experiments, by exposing them to the wonderful world of Nature.

In this spirit, Science Park was established as a unique initiative for school children on the campus of Savitribai Phule Pune University. It houses more than 1000 kits, interactive exhibits, demonstration experiments, and innovative do-it-yourself laboratories in all the branches of science. The park is conceived so that the young minds can explore ideas, put them into action and learn principles of science by experimentation. A host of activities such as the Science Teaching initiative for 5th to 8th standard, Focused workshops for 5th to 9th standard, Awareness programs for the public, etc. are being carried out. I am happy to note that this is the first university to establish such an outreach program in the entire country.

SPPU and C-DAC joined hands to run courses in big data analysis, data management, among others on a short-term basis. The Centre for Development of Advanced Computing [C-DAC] will train students to equip them with the skill set required for "industry 4.0" the term for the next big industrial revolution. For this, C-DAC has partnered with SPPU. We are trying to encourage industries to provide hands-on training to students.

Savitribai Phule Pune University [SPPU] and Inter-University Centre for Astronomy and Astrophysics [IUCAA] have signed an MoU to undertake collaborative research in physics, astronomy, astrophysics, space sciences, atmospheric sciences, instrumentation, and technology, among other areas.

SPPU has signed a letter of intent with the University of Turku, one of the leading universities in Finland, for collaboration in teaching, research, student and faculty exchange, joint international projects, and curriculum development, among others.

Savitribai Phule Pune University [SPPU] and Inter-University Centre for Astronomy and Astrophysics (IUCAA) inaugurated a laboratory called "SITARA" to jointly spearhead research and future space activities on 7th October 2019. At the lab SPPU - IUCAA Training and Research Alliance [SITARA] - research and training for various space-based and astronomical projects will take place.

SPPU has started following new courses during the academic year 2019-20:

Future Directions:

Pune Knowledge Summit - 2021

The Pune Knowledge summit would be conducted by the Embassy of France in partnership with Savitribai Phule Pune University (SPPU) and this will be the third in a series. The broad theme subject would be “Implementation of Results/Perspective to growth”. The last summit was conducted in partnership with Lyon University in France. More than 100 researchers and professionals from France and more than 200 delegates from India are expected to attend the summit. The program will be fully supported by French Embassy in India. SPPU is in talks for the establishment of a “Centre of excellence in Aviation & Electric Mobility” with its French counterpart. This is in continuation of a partnership of the French embassy with the Government of Maharashtra, signed 2 years ago.

Postdoctoral Fellowship Program [SPPU-PDF]

The University (SPPU) has launched Savitribai Phule Pune University Postdoctoral Fellowship (SPPU-PDF) Program. Postdoctoral research is an important avenue for young motivated researchers who wish to acquire new skills and develop their academic careers. It also creates independent researchers under the guidance of an accomplished Mentor. It is without doubt, a good mix of graduate, doctoral, and postdoctoral fellows, which helps in achieving academic excellence of academic Institutes. Trained postdoctoral fellows are considered as potential faculty for academic institutes across the globe.

Students Facilitation Centre:

Students Facilitation Centre is a facility created on the main campus at Pune and two district sub-centres of the university that allows students to submit standardized information and documents with a single entry point to fulfill all documents-related requirements. The archived electronic information further facilitates the process by avoiding multiple data submissions.

- Students Facilitation Centre (SFC) facilitates hassle-free transactions with the university under one roof with the help of technology and streamlined processes.
- Through SFC, students can make payments and obtain various documents from the university.
- The University has two satellite facilitation centers at our Ahmednagar and Nashik sub-centre.

The main value proposition for having a single window facility for the university is to increase the efficiency through time and cost savings for all the stakeholders in their interactions with the university authorities for obtaining the relevant documents and permissions for a variety of purposes.

Equipped with state-of-the-art IT platforms and connectivity, the SFC delivers essential services to the students in a time bound manner with high efficiency. Important sections of the University are connected through well-developed policies and procedures to carry out this massive task with utmost accuracy and reliability.

Provision to make online applications and payments along with door-delivery of the documents ensures student-friendly delivery of essential services.

University's academic mission. The 2019–2020 Annual Report provides just a glimpse into the work of our dedicated Library staff carried out throughout the year.

Knowledge Resource Committee:

The Knowledge Resource Committee (consisting 8members) is the apex body. It is the apex body of the Library System that frames the policies and procedures for the smooth functioning of the Library. The Knowledge Resource Committee met once during the year of the report. The Chairman and the members of the Knowledge Resource Committee made several suggestions in providing better services to the users of the Jayakar Knowledge Resource Centre.

Budget Provisions :

The total budget for the year April 2019-March 2020 of the Jayakar Knowledge Centre was Rs.8,45,00,000/ out of which an amount of Rs. Six Crores and ten lakhs was provided for the subscription of periodicals and online databases, and Rs.80 lakhs for purchase of books and e-books. The funds provided to the Knowledge Resource Centre have been fully utilized. The insurance of the collection, equipment and Library Building has been continued.

Acquisitions of Reading Material :

The library has made available sufficient funds to all teaching departments which were approved by the Knowledge Resource Committee. Many scholarly print and electronic books were acquired during the period of report as per the recommendations of the heads of the departments and teachers.

Reference Service:

Reference Service is the remarkable feature of any library. During the year of the report, Knowledge Resource Centre has provided references in person, on telephone and through email. The Jayakar Knowledge Resource Centre also extends the facility of referring the library to those who are not the regular members of the library. Various participants of the variety of courses conducted their study tours and visited the library. For the new entrants of the university i.e. MA or M.Sc. students, orientation programmes were conducted. In addition to this the assistance was provided to use OPAC, to use card catalogue and locate the reading material.

Reading and Research Facilities:

Jayakar Knowledge Resource Centre has a separate building for study purposes. Presently four reading halls having a capacity of 160 readers each are used by students. Reading and research facilities including bibliographical aids were extended to the Heads of the Departments, University Teachers, Post-graduate students, research scholars and research workers from sister universities and institutions. Specialized reading atmosphere is provided to the research students on a selective basis. Assistance has been provided in using the online journals, open access documents, document delivery service, documentation service and other library services. Under Document Delivery Service the Knowledge Resource Centre receives articles from other Universities. On the other hand the Knowledge Resource Centre has sent 37 articles on request to the users who required them.

The Study type Reading Hall was kept open on all the days of the week (including Sundays and holidays) between 7.00 a.m. - 12.00 p.m.

Jayakar Knowledge Resource Centre Portal:

The main objective behind the development of Knowledge Resource Centre portal was to provide one window access to library resources as well as free resources to all users on the

campus. To achieve this objective Knowledge Resource Centre has developed E- Resources Portal that contains information regarding online union catalogues of books, theses and serial publications. Web links are provided to various National Libraries, Open Access Resources of a variety of subjects and databases. The said portal is accessible through the Internet and it is very useful to the students, staff, researchers and general public and libraries of the affiliated colleges of the University. The Library portal is accessible through web address <http://lib.unipune.ac.in:8002/>

विद्यापीठ गीत

ज्ञान बनो कर्मशील, कर्म ज्ञानवान

पुण्यमयी दे आम्हा अक्षर वरदान
ज्ञान बनो कर्मशील, कर्म ज्ञानवान

जातिभेद, धर्मभेद, वंशभेद दूर
छात्र छात्र कंठांनुनि हाच एक सूर
करुणेच्या चरणांशी नत हो विशान

माणुसकी धमनिया अर्थ जाणतो
अमनिष्ठा हें पवित्र तीर्थ मानतो
हृदयांनुनि समतेचा निर्भय अभिमान

सेवेतच मुक्ती ही मंगल दीक्षा
न्यायास्तव जाग्रति ही सखपरीक्षा
हें विश्वचि पार अमुचे मंत्र हा महान
