See next pages for the earlier notice for the MA Economics applicants:

**20<sup>th</sup> July 2013**

**Important Information regarding admissions for MA at the Department of Economics, University of Pune**

Applications are presently invited for admission (MA) in the Department of Economics, University of Pune and the last date of submission of the applications with DD and the required attachments is now extended to the 30<sup>th</sup> July 2013.

**Eligibility:** For Open category – 55% and above at graduation and for Reserved category 50% and above at graduation. Graduates of all disciplines may apply.

**Important Dates:**

**Last Date of submission of applications: 30<sup>th</sup> July 2013**

**Date of notification of Interview Schedule: 23<sup>rd</sup> or 24<sup>th</sup> and 31<sup>st</sup> July 2013**

**Dates for Personal Interviews: 25<sup>th</sup>, 26<sup>th</sup> July 2013 and 1<sup>st</sup> August 2013**

**Date of Declaration of Entrance Results: 5<sup>th</sup> August 2013**

**Date of Commencement of Classes of 1<sup>st</sup> Semester: 8<sup>th</sup> August 2013**

**The procedure for admissions is as follows:**

1. All applicants will have to face a personal interview conducted by a Departmental selection committee. The interviews will be marked out of 100.
2. For the merit list marks we will consider the degree marks only for those candidates who have completed their BA in Economics from Pune University. We will consider marks (averaged) of their second and third year BA (only economics). For all applicants who have completed their BA or other graduation in Universities other than the Pune University, or other subject graduation from Pune University - their score at the personal interviews only will be considered for merit list marks i.e. their graduation marks will not be considered.

(Example: person A has completed BA-Economics from Pune University having secured 70% in Economics in his/her second and third year and has received 60 marks in the interview – we will calculate his/her merit by using a 50% weightage to his/her degree and 50% for personal interview – so his/her merit list marks would be  $35 + 30 = 65$ ; person B has completed his/her graduation from a university other than Pune University and has secured 70% in economics in the second and third year in economics, he/she has received 60 marks in the personal interview – his/her merit list marks would be 60 )

3. The schedule and lists of personal interviews will be put up on the Departmental notice-board; the interviews are scheduled on the 25<sup>th</sup> and 26<sup>th</sup> July and the 1<sup>st</sup> August 2013 beginning from 11.00 am onwards. There will be three/four departmental committees for selection and the decision to grant admission will be taken by the committees. Those who fail to show up for the interviews will be considered not eligible for admission.

(See next page)

4. After all the interviews get over a merit list will be generated according to the reservation policy of the University of Pune.

**5. How does the allocation of seats work:**

- a) We have a total of 50 seats.
- b) 70% of them – i.e 35 seats go to Pune University graduates with 10<sup>th</sup> and 12<sup>th</sup> completed within Maharashtra (or Maharashtra domicile certificate). These 35 seats are split into Open (50%) and Reserve category (50%)

- c) There are 15 seats for students other than Pune University. Again with 50% Reservation – About 4 seats for students (open) within Maharashtra and 4 seats (open) for students outside Maharashtra are allocated. 7 seats are allocated to reserve category within Maharashtra (but other than Pune) Universities.
- d) Students from Universities within or outside Maharashtra receive one seat per university.
- e) There is a quota over and above the 50 seats for handicapped candidates and applicants from Defense quota.
- f) There could be minor variations in the calculations above as per the discretion of the Selection Committee of the Department. Admissions are allotted strictly according to University origin of the candidate and merit calculated by the Committee.
