

**SCIENCE DAY 2014**  
**DEPARTMENT OF MICROBIOLOGY**  
**UNIVERSITY OF PUNE**

---

**28 February 2014**

- 11.00am -12 noon: Lectures Microbes are our Friends – Miss Laleh ( English)  
Dr Ragini Bodade ( Marathi)  
Microbes in Our Kitchen – Smita Jagdale ( English)  
Miss Pragati Abhyankar (Marathi)  
Genes and Cellular Functions – Vikas Shinde ( English)  
Dr. Girish Kulkarni ( Marathi)  
Vaccines – Miss Sweetty Wadhvani ( English)  
Dr Utkarsha Shedbalkar ( Marathi)
- 12.00-12.20 pm. Science Films: Film 1: Bacteria Film 2: Microbes
- 12.20-12.40 pm. Science Films: Film 1: Bacteria Film 2: Microbes
- 12.40-1.00 pm. Science Films: Film 1: Bacteria Film 2: Microbes
- 1.00 -2.0pm: Lectures : Microbes are our Friends – Miss Laleh ( English)  
Dr Ragini Bodade ( Marathi)  
Microbes in Our Kitchen – Smita Jagdale ( English)  
Miss Pragati Abhyankar (Marathi)  
Genes and Cellular Functions – Vikas Shinde ( English)  
Dr. Girish Kulkarni ( Marathi)  
Vaccines – Miss Sweetty Wadhvani ( English)  
Dr Utkarsha Shedbalkar ( Marathi)
- 2.00-2.20 pm. Science Films: Film 1: Bacteria Film 2: Microbes
- 2.20-2.40 pm. Science Films: Film 1: Bacteria Film 2: Microbes
- 2.40-3.00 pm. Science Films: Film 1: Bacteria Film 2: Microbes
- 3.00 -4.00pm : Lectures : Microbes are our Friends – Miss Laleh ( English)  
Dr Ragini Bodade ( Marathi)  
Microbes in Our Kitchen – Smita Jagdale ( English)  
Miss Pragati Abhyankar (Marathi)  
Genes and Cellular Functions – Vikas Shinde ( English)  
Dr. Girish Kulkarni ( Marathi)  
Vaccines – Miss Sweetty Wadhvani ( English)  
Dr Utkarsha Shedbalkar ( Marathi)
- 4.00-4.20 pm. Science Films: Film 1: Bacteria Film 2: Microbes
- 4.20-4.40 pm. Science Films: Film 1: Bacteria Film 2: Microbes
- 4.40-5.00 pm. Science Films: Film 1: Bacteria Film 2: Microbes

Exhibits: All Day long      How Small is Small

How Small Looks Big

Look at Them Through Microscopes

Counting Bacteria in your Food , soil, Water.

**Visit to Three Research Laboratories: All Day Long.**
