NOTICE

Ph. D. Admissions : May 2011

Following the interviews conducted on May 18-20, 2011, candidates listed below were found suitable. Eligible candidates should submit Ph. D. admission form to the office of the Department. These candidates are advised to get in touch with the Supervisors (mentioned against their names) and make a presentation within three months before a Research Committee to be constituted by respective Supervisors. They will be provisionally admitted only after successful presentation before the Research Committee.

In case a candidate does not make the presentation within three months her / his claim for provisional admission to Ph. D. course during the current admission process will be treated as cancelled.
