Special Camp (Report)

We have adopted the Palse Village for Special Winter Camp for three years since 2008. Last year we have been conducted said Camp between 22nd to 31st December 2008. Total 97 Volunteers have done all Activities laid down by NSS Programme Officer Mr. K.S. Borase.

We have done this camp with the theme HAGANDARI MUKTA GAON volunteers approaches to villagers and explained properly the importance of Safety Toilets in perspective of their health. For this, Volunteers have made the survey of homes with and without Safety Toilet. They also found some family members who did not like to use Safety Toilets. Our Volunteers were able to remove such difficulties from their mind.

We have used Pathanatya, Gaon Pheri to overcome such problems. We have visited a Palse Sugar Factory. We also have arranged Bhajan Sandhya for Villagers Entertainment and Free Health-check up camp. Throughout the 10 days camp Villagers along with Sarpancha and Gramsevak have whole heartedly supported to success our Camp.
