Dear Prof. Damle :

It was very kind of you to have called me on telephone yesterday in connection with your paper for our proposed seminar later this year. As requested by you I am herewith enclosing a xerox page forming part of the Consent Decree of 1938. As far as I see Anthropology-Sociology are not exactly listed here but you are quite free to make use of this information for preparing your paper.

With kind regards,

Yours sincerely,

(K.Paddayya)
