

Journal of Ayurveda and Integrative Medicine (J-AIM)

J-AIM is an internationally circulated open access official journal of World Ayurveda Foundation and Trans-Disciplinary University, Bengaluru published by Elsevier. J-AIM aims to explore the integrative relationships between Ayurveda, traditional medicine, biomedicine and other contemporary health sciences encouraging meaningful collaboration to promote effective, safe and affordable global health. J-AIM encourages collaboration and communications between professional, academic and scientific communities. It publishes scientific research, case studies, reviews, thought leadership articles and other features on Ayurveda, traditional medicine and biomedicine to facilitate integrative approaches to global healthcare. J-AIM is member of reputed international bodies like World Association of Medical Editors, Indian Association of Medical Journal Editors, and Committee of Publication Ethics (COPE). J-AIM is indexed in PubMed, Scopus, Scimago, Science Direct, Google Scholar among many other databases.
