- 8. Examine the importance of discipline in Industry. What are the precautions you need to take while enforcing discipline in Industry?
- **16**

- 9. Discuss **any two** of the following:
 - a) Model grievance procedure.
 - b) Sources of recruitment.
 - c) Importance of communication.
 - d) A food processing factory was setup in Bombay at Dadar some 25 years ago. As the factory grew it shifted to a new location at Kandewali. The employees has to travel along distance to reach the factory. Negotiations were held between the union and the management on the compensation to the employees for communing to and fro to the new location. The management offered Rs. 100/- per month as compensation whereas the union was demanding Rs. 200/- per month. The management was not prepared to pay anything more than Rs. 100/-. The union was flexible and wanted to negotiate on the issue, but the management was reluctant. The union therefore instructed the workmen not to corporate with the management. The management started taking action on the union leaders for instigating the workers for resorting to non corporation and slow down in work. Two of the union leaders were suspended. The workers therefore resorted to a tool down strike demanding revoking of the suspension order against the two union leaders.

If you are the consultant of the factory what advise would you give to the management to resolve the issue amicably.
